

Reasons to Participate in World Hemophilia Day 2012:

1. Raise awareness of inherited bleeding disorders in your community.
2. Build support for your organization and mission.
3. Support advocacy efforts with government officials.
4. Participate in our global caring community.
5. Support your patient group or local chapter.
6. Spread the word about the global needs for people with bleeding disorders in developing countries.
7. Educate new patients and their families.
8. Attract more volunteers and members.
9. Raise funds to support your activities.
10. Support your hemophilia treatment centre.
11. Adapt the World Hemophilia Day theme to further your own needs.
12. Support the World Federation of Hemophilia and its vision of Treatment for All.
